MEET

Production & Technology

AUDIO • VIDEO • LIGHT • STAGE • NETWORK • IT

OVERVIEW

Production, not just Location.

MOA MEET produces events in-house, from small board meetings to international congresses across more than 7,500 m². This technology catalog brings together all our equipment, AV packages, and power, network, and IT services in one place.

> *Our own in-house production & control team: one contact, no third-party providers.*
>
> PHILOSOPHY · MOA MEET

Items without a fixed price are marked “on request” and calculated individually.
Detailed AV packages incl. setup flat fees from page 9, network & Wi-Fi rates on pages 12 to 13.

CHAPTERS IN THIS CATALOG

01 **Video & Audio** p. 3
Laptops, displays, projectors, sound & microphones

02 **Light, Stage & Seminar Equipment** p. 4
Lighting, stage construction, lecterns & speaking-time tools

Power connections, event Wi-Fi & special requests

04 **Staff** p. 6
Technicians & production management

05 **AV Package Details** p. 7
Stage, sound, microphones, video & individual items

06 **Rental Price · Copiers & Shredders** p. 10
Printing, copying, shredding

07 **Additional IT-Services & Equipment** p. 11
Conference telephony, network & IT personnel

08 **Network & Wi-Fi Pricing** p. 12
Bandwidth rates for LAN & Wi-Fi

HOW TO READ THIS CATALOG

Net prices
All prices plus statutory VAT, unless noted otherwise.

Prices per day
Daily rental prices, personnel up to max. 10 hrs.

Multi-day discount
AV equipment discount from day 2 (p. 7).

On request
Custom quote per event & format.

Image and sound that carry.

From a simple presentation to a complete hybrid setup: displays, projectors, screens, and control stations from a single source.

Sound systems for every room size, wireless systems from Shure & Sennheiser, and digital mixing consoles from MIDAS and Allen & Heath.

ADDITIONAL EQUIPMENT

Side table · Bar stool · Armchair · Partition panel · Cable reel · Floral decor · Planters · DVD player · Flagpole · Menu cards

on request and depending on event format.

We plan custom stage backdrops, large room dividers, and exhibition booth measurements together with you on site.

ROOM. FORMAT. GUEST COUNT.

Infrastructure that just works.

POWER CONNECTIONS

Schuko power 16A	**€120**
Three-phase CEE 16A	**€150**
Three-phase CEE 63A	**€370**
LAN connection	**€100**
Spider phone	**€150**

CUSTOM SOLUTIONS · ON REQUEST

Streaming / hybrid event (complete)	**from €1,900**
Interpreting equipment / booths	**from €380**
Moving lights (effect spots)	**€120**
Media management (speaker upload, slot timer)	**from €450**

We plan streaming/hybrid events, interpreting technology, moving lights, and media management individually as needed.

NETWORK & WI-FI

Free house Wi-Fi in all public areas. For events, we recommend an exclusive, dedicated event network (own SSID & password) with scalable bandwidth from 50 to 1,000 Mbit/s.

All rates for LAN & Wi-Fi: see pages 12–13.

MOA BERLIN

Our team, your production.

One contact person, no service-provider chaos: our conference technicians and production managers support your event from planning to the very last detail.
Daily rates (net prices) apply for up to 10 hours.

01	**Conference tech sound/video/light — full day** Support for sound, video, and lighting throughout the entire event.	€620
02	**Conference tech — setup day up to 4h** Setup, programming, and technical preparation before the event starts.	€310
03	**House technician (projector/screen/sound/3 mics)** Projector, screen, sound system, and up to three microphones — for smaller formats.	€480
04	**Production manager / VT master (from)** For complex multi-room and large-scale productions with multiple productions.	€700–850

Setup days

For pure setup days, the reduced rate “Setup day up to 4 hrs” applies instead of the full daily rate.

Multi-day productions

The AV multi-day discount (page 7) applies to equipment items; personnel are billed per exact day, with no discount scale.

MOA BERLIN

AV Packages in Detail.

More than 80 items for individually designed events, from stage & sound to microphones & hybrid audio to video & camera. Including equipment descriptions and, where applicable, setup flat fees.
You'll find the complete individual-item reference on page 9.

AUDIO · VIDEO · LIGHT · STAGE · STAFF & SUPPORT

Stage, Light, Sound & Microphones

Furniture, staging, sound and microphone packages incl. hybrid add-on. Details on page 8.

Video, Projection & Camera

Screens, seamless switching, camera packages, and online hybrid. Details on page 9.
